Site Director: Stephen Vanidestine, svanidestine@bangorschools.net Office: (207)-992-5507

Entry Limit: No athlete may compete in more than 4 events including relays. **Individual state participation rules apply.** Each state will be allowed (6) entries per event. All qualifiers must have participated at their respective state associations' championship finals. Qualifying performances for seeding must also come from the state championship finals. National Federation rules govern the meet. No event will be held up to wait for an athlete competing in another event.

Filing of Entries: **One representative from each state association** should send all entries electronically using Hy-tek's Meet Manager to Dave Jeffrey at djeffrey@breweredu.org. Entries should be sent as soon as your qualifiers are determined. All entries should be received by **noon, Monday, June 5, 2023**. If your state uses distances other than the 1600 meters and 3200 meters or 300 meter hurdles, please make the following adjustments to your seed times **before** you email the file:

1500 meters	add :18.0	for the 1600 meters
3000 meters	add :40.0	for the 3200 meters
Mile	subtract :01.5	for the 1600 meters
2 Mile	subtract :03.0	for the 3200 meters
400 m boys hurdles	subtract :16.0	for the 300 meter hurdles
400 m girls hurdles	subtract :19.0	for the 300 meter hurdles

Awards: Plaques will be awarded for first place and medals will be awarded for second through sixth place in all events. An awards ceremony will take place on the infield shortly after the event is concluded. *Please have your athletes ready to report to the awards area.* A New England Commemorative Pin and a Certificate of Participation will be awarded to every competitor at registration.

Cameron Stadium: Concessions and lavatory facilities will be available. No locker rooms will be available. Spikes 1/4" pyramids or smaller or Christmas tree spikes are approved for use. Only

officials and competing athletes will be allowed inside the track area. **NOTE:** The javelin, discus, and shot put are now thrown outside the Track. The javelin runway surface is grass. Blocks will be provided, but athletes may use their own. Teams are responsible for team equipment and personal items. Neither the facility, meet management, nor CNESSPA assume any responsibility for lost or stolen items. Teams should monitor their own areas.

Equipment: All equipment must pass inspection at the meet according to National Federation Rules, and the approved shot, javelin and discus must be made available to any competitor. All implements will be inspected in the field house under the home bleachers. Athletes using non-certified equipment will be disqualified. Implements will be weighed beginning at 8:45AM. Priority will be given to events starting at 10:00AM. You may bring your own blocks. Batons will not be provided.

Pole Vault: ****Every coach of an athlete competing in the pole vault must submit a weight certification form signed by a school official to the pole vault official prior to the warm-up period.** ** (Please use the form included in this packet or a similar state approved form.) The "5 alive" format will be used. The opening height in the girls Pole Vault will be 9'0" and boys Pole Vault will be 12'6" both will go up 9 inches after the opening height and then go up 6 inches at a time (see below). An area will be provided for a designated coach for the pole vault.

High Jump: The opening height in the girls High Jump will be 5'0" and boys High Jump will be 6'0". Both will go up 3 inches after the opening height and then go up 2 inches at a time (see below). The "5 alive" format will be used.

Field Events: All athletes should check in at the event site. All field events will be arranged so that those with the best qualifying performances will compete in later flights. The top 9 will advance to the final in the Long Jump, Triple Jump, Shot Put, Discus, and Javelin. In the horizontal jumps, all athletes are strongly urged to get a mark BEFORE the event begins. A fair warm-up will be allowed between flights expecting you to have a mark with which to start. In the throwing events, a warm-up will be allowed between flights but it will be controlled.
