

Scholarship Application Directions

Fill out one application for each scholarship that you are applying for.

Be sure to type the name of the scholarship on the application.

All applications must be typed.

Give your teachers and community members at least two weeks to write their letters of recommendation.

Make sure you meet the eligibility criteria prior to completing the application.

Complete both essays.

If you do not know how to construct a resume contact the counselor or consult MCIS.

Staple application, resume and letters of recommendation together.
(do not use paper clips or envelopes)

Put completed applications in appropriate file in the counselor's office by April 15th.
