ASD Parent Interview- Reevaluation

Student: _____ **Birthdate:** _____

Parent/Caregiver: _____

Tell me about your child and any current concerns:

SOCIAL INTERACTION:

1. Describe your child's current social interaction skills.
2. How would you describe your child's ability to play/interact with other children? Adults?
3. What activities does your child enjoy participating in?

COMMUNICATION:

1. Tell me about your child's current communication skills.
2. Does your child use gestures? Understand nonverbal cues?
3. Do you notice anything unusual about your child's language skills?

BEHAVIORS/INTERESTS/ACTIVITIES:

1. Describe any behaviors that are different from other children (flapping/toe walking/unusual interests/unusual fears).
2. How does your child react to changes in routine or schedule?
3. Does your child seem overly concerned with order and routine?
4. Any concerns about how your child reacts to touch, sound, smells, or light?

OTHER:

Is there any other information that might be helpful to share?
