School: \_\_\_\_\_

Date: \_\_\_\_\_

Case Manager: \_\_\_\_\_

Grade: \_\_\_\_\_

***Case Manager/Interviewer: Ask any or all of the following questions:***

1. What is your current health condition?

2. Are you currently taking any medications?

If so, what medication?

When?

Do you take your medication on your own? Or, do you need reminders from your parent(s) to take your medication?

3. How do you feel this health condition impacts you at school?

At home?

4. How is your attendance?

5. How are you doing in school?

Are you satisfied with your grades?

6. What can you do to help yourself improve your grades?

What can your teachers/school do to help you improve your grades?

What would you like your parents to do at home to help you improve your grades?

7. What is your homework routine?

8. Do you turn in assignments late?

If so, how often do you turn in late assignments?

What prevents you from turning them in on time?

9. Do you have an easy or difficult time stay on-task during class?

What distracts you during class?

What helps you stay on-task during class? (i.e. being seated near the teacher, quiet environment, etc.)

10. Are you an organized student?

Do you use a planner on a daily basis?

Is your locker/desk clean and tidy?

11. Do you typically remember to bring the necessary materials to your classes? (i.e. pencil, notebook, book, iPad, etc.)

12. Do you forget things for school at home?

13. What do you like best about school?

14. What do you like the least about school?
