

Student Interview for Physical Impairments
Elementary
Responsibility of the Case Manager in the Evaluation Report

Student:

Case-manager:

Date:

What kinds of things do you enjoy doing?

What are you good at?

What do you need to improve in school and what is hard for you at school?

What do you like the most about school?

If you could change three things about school what would they be?

When you don't understand something, how do you ask for help?

Do you get help from classmates when you aren't sure how to do something?

Do you work better alone or with others?

Do you have any problems moving through the school building on your own? Who do you ask for help when needed? Do you feel comfortable asking for help?

Are you able to organize your materials and complete your assignments? What strategies do you use to stay organized? Do you need help figuring this out?

Do you need help solving problems? What kind of help works the best for you?

Are there things that happen in the classroom that make it hard for you to get your work done? How do you deal with them?

Do you understand how to use things like a computer mouse? How do you use technology to help you with your schoolwork?

Do you need any special equipment in school like special pencil grips or a stand to hold/position textbooks? What special equipment do you need/use?

Do you have any problems in gym class (if so what are they)?

Do you have a best friend at school? What do you like to do together?

How do your physical needs impact you when you are at school?
