Adding Coaches and Entering Scores

All ADs have been given access to the MSCIAA website. With your login you can add your coaches and create usernames and passwords for them. Once they are able to login, they can enter scores. When a coach is added, they must also be assigned to their respective sport. Instructions on how to add coaches can be found [here](#) and instructions for adding scores can be found [here](#). Be sure to update your scores after contests have been played. Note that the MSCIAA website and the Arbiter website are two different things. Arbiter is used to check for officials. Only the sport's assigning agent can grant Arbiter access.
