Check Out Our Website

Did you know that the majority of your questions can be answered by utilizing our website? At mscaa.org, we provide current information regarding all things MSCIAA. If you look under the sports information tab, each sport has a breakdown of key information and operational procedures including officials' fees, assigning agents, start dates, etc. If you're looking for required documents for athletes or required courses for coaches, you can visit the health services section. Even if you want to know who was the Class A Boys Basketball Champion in 2021, there's a section for that too. Both new and veteran Athletic Directors can find a wealth of information in the AD Toolbox section which is useful to coaches too. Charter schools also have their own section of information that is specific to them. Check out the staff link to help you identify which staff member to direct sport specific questions and concerns to. The website also features schedules, scores, and standings for each school (when available). Be sure to visit www.mscaa.org for more information.
