## SCIAA Cross Country Championships

The 2021 SCIAA High School Cross Country Championships were held on October 7, 2021, at Shelby Farms. The event started off with the AAA girls' race. The White Station Spartans finished on top ahead of the runners-up Whitehaven Tigers. Gabrielle Shirly of White Station earned MVP honors as the first across the finish line with a time of 20:43.

The AAA boys were up next. Once again, White Station and Whitehaven duelled for the top spot with the Spartans earning the championship and the Tigers finishing second. White Station's Jarryn Lowe was named MVP of the race with a time of 16:24.

The AAA cross-country teams went on to compete in the regional meet on October 27. Although SCIAA teams fell short of winning at regionals, individual runners from both White Station and Whitehaven advanced to the state meet. The White Station girls' and boys' teams are coached by Ernie Shadow. Congratulations to Coach Shadow and the White Station Spartans on their accomplishments this season!

In the A-AA girls championship race, Alexandria Parish of Crosstown High finished ahead of the pack as the MVP with a time of 23:56. In the team standings, the Memphis Rise Academy Rockets, coached by Quintel Cooks, won the SCIAA championship with Hamilton High finishing with runner-up honors.

The final race in the 2021 SCI-

AA championships featured the A-AA boys. Four of the first five runners to cross the finish line came from East High School, with Luis Gomez leading the way and earning the MVP title with a time of 18:42. The East Mustangs, coached by Zachary Emptage, won the team championship in dominating fashion. The Middle College Bulldogs were runners-up.

At the A-AA regional meet, held on October 26, the East High, Middle College High, and Crosstown High boys' teams advanced to state along with the girls from Mitchell High, Middle College High, and Memphis Rise Academy.

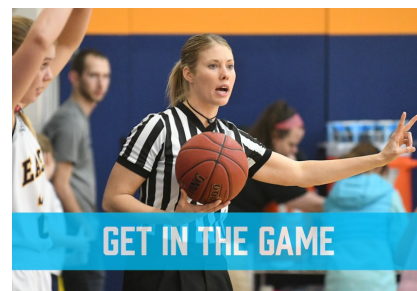

The state cross-country meet will be held on Friday, November 5, at Sanders Ferry Park in Hendersonville, TN. Good luck to the teams and individuals competing at state!

## Become a Basketball Official

There's a shortage of high school officials in almost every sport. In some communities the shortage is critical and high school games are being either postponed or cancelled.

Becoming a high school official is the easiest call you'll ever make. High school officials protect the integrity of the games our kids love to play by demonstrating qualities like honesty, objectivity, consistency, courage and common sense. They have the opportunity to help teenagers learn life lessons that will benefit them for a lifetime. Consider the many benefits of becoming a high school official:

- You'll be a role model for the youth in your community
  - It's a great way to stay in good physical condition
  - Hours are flexible
  - You'll earn extra income
  - You'll expand your network of friends and have fun
- Contact Bill Arata to become a Basketball Official at [aratawm@gmail.com](mailto:aratawm@gmail.com) or 901-857-6801.
