WINTER STIPEND SUBMISSIONS

Please note that stipend requests must be submitted by Friday, January 14, 2022 in order to ensure timely payout effective Friday, February 11, 2022. Failure to submit by the deadline will result in delayed payments. In an effort to ensure that stipends are paid in a timely manner, the Office of Compensation is requesting that you closely follow the procedures emailed to your school. There will be no increase to stipend amounts for the 2021-2022 school year. All teacher/teacher type employees as well as classified employees will receive the same stipend amounts for all athletic and academic roles as they received in the 2020-21 season. Stipend payments may be reviewed in the employee portal on Friday, Friday, February 11, 2022. Questions concerning the stipend process should be directed to the Office of Compensation (901) 416-2832 and/or officeofcompensation@scsk12.org.

NCAA EARLY GRADS REMINDER: REQUEST FINAL AMATEURISM

Student-athletes enrolling at a Division I or II school starting in winter/spring 2022 must complete their amateurism certification request. To do so, your student should simply log in to their Certification account and complete the "request final amateurism certification" prompt. Students must have paid their Eligibility Center account fee or been approved for a fee waiver to request their final amateurism certification. Without their amateurism certification, your students won't be able to compete, practice or receive a scholarship when they hit campus. Please help them to be ready! Have questions about how to request final amateurism? Click here to view our tutorial. Still have questions? Reach out to NCAA staff at 877-262-1492 — They're here for you!
