## High School Basketball Score Reporting Reminder

Please make sure to update basketball scores after every contest. Unfortunately, the SCIAA does not have the personnel to ensure scores are recorded daily. Coaches should be receiving missing score notifications via our new website. Please work to ensure submissions are accurate, championship seeding is based off this information. Please [View Missing Scores here](#). Click on the desired level and then find your school. For example: Click on "Basketball Varsity Girls" and then click on desired High School. Directions on [How to Enter Scores](#). If you do not have a login, please contact the coordinator of that sport. You can always find scores/standing by visiting [SCIAA.org](http://SCIAA.org) then click Scores/Standings.

## Tennessee Law to Increase Access to School Sports for Student-Athletes in Foster Care

Tenn. Code Ann. § 49-2-136 became effective in 2021 and requires schools to notify the TSSAA of an enrolled student's placement in foster care if the student expresses interest in participating in interscholastic athletics. Failure to do so may result in the student-athlete being ineligible.

The TSSAA Portal is a primary point of interaction between member schools and the TSSAA state office. Schools should submit all potential student-athletes via the portal for TSSAA/TMSAA sanctioned sports. Foster care students are submitted in the same fashion.

For special hardship cases, TSSAA has the authority to set aside the effect of any eligibility rule upon student-athletes per specific circumstances outlined in the TSSAA Constitution and Bylaws. If you have any additional questions, please contact the TSSAA regarding submission procedures.
