## NCAA ELIGIBILITY CENTER END OF YEAR REMINDERS

### 1. Upload Final Transcripts.

Visit the [High School Portal](#) to upload final transcripts with proof of graduation to your student-athlete's Eligibility Center account. If you have never uploaded a student-athlete's transcript, [click here](#) to learn how. If you have additional semesters included since the last upload, please continue to upload these transcripts now so that the Eligibility Center may complete preliminary reviews.

### 2. Update Core-Course Lists.

Update your school's core-course list by visiting the [High School Portal](#). If you believe your school's list is accurate, please log in to verify you have no updates. This will refresh your account and let our team know your core-course list is correct.

### 3. Request Final Amateurism.

Remind your student-athletes enrolling this fall to [request their final amateurism certification](#). **Note:** This certification is required before your student can play with their college team.

### 4. Use Code 9999.

Advise your student-athletes to take the SAT/ACT. While the Eligibility Center is [not requiring standardized test scores for 2023-24 enrollees](#), some scholarship programs and NCAA schools may still require test scores. All other classes should use code 9999 to send their SAT/ACT scores directly to us from the testing agency. **Note:** We cannot accept test scores that have been emailed or appear on a transcript.
