St. Charles, MN — At a special board meeting on April 2, 2024, the St. Charles School Board voted to select Robert Routh as the district’s next superintendent.

“We believe Robert Routh has the skills and abilities needed to lead St. Charles Public Schools. Mr. Routh has demonstrated through his experience that he is dedicated to the field of education and believes strongly in creating a healthy culture with students and staff. His focus on collaboration, positive energy, along with his dedication to keep students at the heart of all decisions make him the perfect fit for our district,” said Travis Gransee, Board Chair.

“I am honored to be offered the superintendent position for St. Charles Public Schools. I look forward to working with the School Board, staff, students, and greater community of St. Charles,” said Routh, who is the current superintendent for Ellsworth Public School.

The School Board will be conducting contract negotiations with Routh and a contract is expected to be approved by the School Board at the April 8 school board meeting.

The pending start date for Routh will be July 1, 2024.
