

SCHS ATTENDANCE POLICY

In order for a student to play or practice on a given night, he/she must be in school for the **ENTIRE** day. The exception to this would be a family emergency (such as a funeral), a medical appointment, or being on a school field trip.

The rationale for this is very simple; if you are sick you should stay home and get well.

Students that are gone for part of the day and not able to play that given night should NOT attend the game or practice that evening.

Please bring in a note from the doctor if you were at an appointment.
