## **BASKETBALL**

**Proposal #1: High seed will host the SoDak 16 contest.**

1. Mileage will be paid at .60/mile (round trip).
2. Host site must meet the minimum accommodations of:
  - a) Minimum ceiling height of 23 ft. without obstruction
  - b) 700 seating capacity
3. If these gym requirements cannot be met by the host site, the host site will determine an appropriate facility that is no further in travel distance for their opponent.

**Rationale:** We do this in Football, Soccer and Softball why not basketball and volleyball. Potential for better crowds, you will know where you are playing right upon completion of regions and easier to assign and manage for those administering the contest. High seed has earned the right to host and should be rewarded. Teams know they have to work each game to have the ability to potentially host.

\_\_\_\_\_YES      \_\_\_\_\_NO

### **Discussion Items:**

1. Stressing the importance of good sportsmanship with teams, coaches, fans etc. Coaches need to lead by example as to what is acceptable and take care of that behavior with coaching staffs and teams.
2. Officials are asking school administrators to stress to the official scorekeepers that the official book needs to be completed and ready at the 10-minute mark.
3. Seven quarter rule abuse (AA especially)

## **SIDELINE CHEER**

**PROPOSAL#1: Allow football cheerleaders the same number of passes at the dome as the state basketball tournament. Eight passes, plus mascot at post season events for football.**

**Rationale:** This keeps us consistent with what we do for basketball

\_\_\_\_\_YES      \_\_\_\_\_NO

## **COMPETITIVE CHEER**

**Proposal #1: Changes to the Safety Score Sheet. (See attachment #1- Comp. Cheer)**

**Rationale:** Deductions have not been looked at in a couple of years and it was time to do so.

\_\_\_\_\_YES      \_\_\_\_\_NO

### **Discussion Items:**

1. Game Day Discussion- potentially adding it as another category for competitive cheer. Needs much more research. It would be a way to get more sideline teams involved in cheerleading, but need more time to figure out what this would look like and how it could be incorporated into Comp. Cheer. Cheer Coaches Association will look into this and report back.
2. Possibility of adding a third class. Fear is that smaller schools can't compete with the larger A schools. Alignments would take place again in 2024-2025 and would have discussion about it at that time. Presently there are 42 schools in Class A and B cheer.

## COMPETITIVE DANCE

No proposals this year.

### Discussion Items:

1. Making sure we have an X marked on the floor in front of the competitive floor, or on the judges table to mark center. The coaches VIP chair may be used if it does not interfere with the judges table and their ability to see.

## FOOTBALL

**Proposal #1: Team Playoff in 9-Man Football** -The current playoff format for 9-man football involves 16-teams making the playoffs each year. **This proposal recommends a 12-team playoff format in all 9-man football classes.** This format proposal would allow the top 4-teams seeded by the SDHSAA to receive a first-round bye. Teams seeded 5 through 12 would play based on the SDHSAA bracket format (5 vs 12, 6 vs 11, 7 vs 10, 8 vs 9) during the first round. To ensure that the top 4 seeds are rewarded for their efforts throughout the year, the second round of playoffs would be reseeded. The remaining teams would be placed in a 2<sup>nd</sup> round bracket (1 seed vs. the lowest seed remaining, 2 seed vs. the second lowest seed remaining, 3 seed vs. the third lowest seed remaining, and the 4 seed vs. the fourth lowest seed remaining etc.) based on seeding from the SDHSAA. This proposal would only go into effect if the 9-man stays in 3 class classification.

\_\_\_\_YES      \_\_\_\_NO

### Discussion Items :

1. Football Playoff change for 9man Classes.
2. 9 Man class will stay in 3 classes
3. Scheduling

## GOLF

### **Proposal #1: State Coaching Badges for Class A/B –**

A school is currently issued only one badge for coaches in Class A & B. A school will receive a 2<sup>nd</sup> badge for coaches per gender for the state tournament as long as the following criteria is used and followed.

- i. Coach must complete all the SDHSAA/NFHS required Coaching Classes
- ii. Coach must be contracted by the school as a golf coach or as a volunteer golf coach
- iii. Coach must be listed on the school's team roster on the SDHSAA web site by posted date in the SDHSAA Golf Handbook.

\_\_\_\_YES      \_\_\_\_NO

### **Proposal #2: Alternate Golfer at the State Meet (5<sup>th</sup> Golfer) Class B –**

This proposed rule change would allow an alternate golfer at the state for teams that qualify as a team (can be subbed in on the 2<sup>nd</sup> day for any reason). This is team only and the alternate must be declared before the region golf tournament.

**Rationale** – Allows coaches to substitute a player if another player gets sick/injured after Day 1. Also gives coaches freedom to substitute a player in for strategic decisions, especially if their 4<sup>th</sup> and 5<sup>th</sup> players' scores have been similar throughout the regular season. In the past, this process could have been cumbersome, but live scoring on Golf Genius makes the process of switching out a golfer for another golfer much easier. This would replace the golfer from the first day using the score of the first day. This new golfer would not be able to medal and place as an individual but their team placing would be counted.

\_\_\_\_YES      \_\_\_\_NO

### **Proposal #3 State Tournament 1<sup>st</sup> Day - Team Waves off the Back (when Applicable)-Class A –**

Allow all teams who qualified a score-able team (4 or 5 players) to play in waves on the 1<sup>st</sup> day of the State Tournament, even the teams that will tee off the back 9. We will continue to have the teams that qualify out of their regions as a team off the front and those teams that qualify with individuals tee off in teams off the back 9 on the 1<sup>st</sup> day.

**Rationale** By allowing all qualified teams to play off in waves on the 1<sup>st</sup> day of the state tournament it will create a fair balance for all teams being able to compete in the tournament competition. It also then allows coaches that qualify teams to be able to coach them equally as those teams that go off the front in team waves.

\_\_\_\_ YES      \_\_\_\_ NO

### **Proposal #4: Coaches Carts at State Tournament – Class A –**

Allow each school to have one golf cart at the state tournament. This would allow one coach the option of having a cart at the state tournament at the cost of the school district. The course would have to order more carts to accomplish this and schools would have to use the carts provided by the course at the price the course would like to rent them at.

**Rationale** Having a golf cart makes it easier to get around the golf course and provides greater access to players.

\_\_\_\_ YES      \_\_\_\_ NO

#### **Discussion Items:**

1. Class AA Regions and/or state qualifiers
2. Carts for coaches in all Classes
3. Marker discussion
4. iWanamaker Golf Program

## **GYMNASTICS**

**Proposal #1: Class AA Qualifying meet will be held on Saturday of wk. 31 for teams and individuals to qualify for state with two sessions (morning and afternoon). A random draw will be used to determine what teams will participate in each session to be held at the yearly advisory meeting. Motion passed unanimously.**

**Rationale:** This still holds the state qualifier but allows for teams to compete with different teams each year by draw. Having the ESD and Metro teams each year seems to cause an imbalance of teams in each qualifying meet and will make this more enjoyable for all.

\_\_\_\_ YES      \_\_\_\_ NO

#### **Discussion Items:**

1. Meet etiquette prior to the meet being completed (**equipment check**)
2. Region meet/State Qualifying meet dates and moving up start time for Class A to 5 or 530 pm.
3. Judges contracts and verifying start times for meet.
4. Rental equipment for state meet.

## **SOCCER**

**No Rules Proposals were brought forward.**

### **Discussion Items:**

1. Centralized Schedules
2. Petition Process for Soccer Classification
3. Power Point Formula
4. Red Card Suspension appeal process
5. Suggested start times brought forward by officials – 5:30/7:30pm vs 4pm/6pm

## **SOFTBALL**

**Proposal #1: Approve the following language change for regular season contests:**

**Doubleheader-** defined as two varsity games on the same date against the same opponent, games may be shortened to any combination with a minimum of two 5 inning games and count as regulation games.

Doubleheaders count as two games toward the allowable number of contests listed above.

**Triangular-** may be played to 5 innings.

**JV/sub-varsity contests-** Each host school will determine the length of their sub-varsity contests. Allowable length of sub-varsity contests is 5/7 innings, or 60-90 minutes time limit (with the 10/15 run rule in place). Each host school should determine the format prior the contests and inform opponents of how the contest will be run.

Contests may be played with any of the following: free substitution, unlimited number of batters, and a run rule per inning may be implemented per mutual agreement by coaches prior to the contest. Contests should stay within the rules as much as possible with some allowances giving more players the ability to play without specific restrictions.

**Rationale:** We did not have enough in place for other levels of play so by adding these things, it gives the schools more flexibility to schedule and play contests in various formats that best suit the weather and travel issues for teams.

\_\_\_\_\_ **YES**      \_\_\_\_\_ **NO**

### **ITEMS TO NOTE beginning this year:**

- a. Practice may begin one week earlier (Monday of Wk. 37, which is March 11)
- b. Teams will need to play 10 regular season contests in order to be seeded for the SoDak contests.
- c. State Tournament implementations:
  - i. Schedule and Game times – Game time 2.5 hours apart (10:00-12:30-3:00- 5:30), noting that if a contest gets over early we will move the game time up to begin no sooner than 30 minutes from the regularly scheduled time.
  - ii. Eliminate the coin flip. High Seed will be the home and will have the 3<sup>rd</sup> base dugout.
  - iii. Schedule plate umpires meeting 15 minutes prior to the start of the contest.
- d. For safety purposes, schools should start to think about breakaway bases for 2<sup>nd</sup> and 3<sup>rd</sup>. Not required, but if you can work them into your budget, it is a great idea.
- e. Schools put up temporary fencing if your fence is over 220'.

## **TENNIS**

**Proposal #1: Indoor play policy: Consolation Round matches when going indoors will play 8 game pro-sets with a 7 point tie break when we reach 8 all.**

**Rationale:** Many felt this was a good compromise as there was a proposal to back to 10 game prosets indoors and with the timeframe and length of days and play, the committee did not want to lengthen the tournament.

\_\_\_\_ **YES**      \_\_\_\_ **NO**

### **Discussion Items: Tennis**

1. Clarified Substitution rule: Intent is that if substituted AFTER ENTRIES AND BEFORE ANY COMPETITION BEGINS, a player would be allowed to play in the other matches (singles or doubles) as long as the tourney has not started.
2. Boys A and Girls A will pilot trying to play doubles first and report back to the committee as to whether it will save time on the schedule or not. Many feel that if we play doubles first, we would not be sitting with empty courts waiting for doubles partners who may be still playing at another site.
3. Should seed points only count when playing teams in your class? Scheduling is an issue. The only way this would work is if everyone played everyone and then gave the remaining matches the ability to play outside your class. Aadland mentioned the only way this would happen is if we scrapped the old schedules and started over.

## **TRACK & FIELD/CROSS COUNTRY**

### **Proposal #1: Pole Vault/High Jump - starting height**

Pole Vault starting height will be determined by taking the 12<sup>th</sup> place qualifier height and subtracting 3 inches from that each year to designate the starting PV height for the state track meet.

High Jump - starting height will be determined by taking the 12<sup>th</sup> place qualifier height and subtracting 1 inch from that to designate the starting HJ height for the state track meet

\_\_\_\_ **YES**      \_\_\_\_ **NO**

### **Discussion Items: Track**

1. Number of Qualifiers
2. Shuttle Hurdle Relay
3. Top 16 instead of 24
4. FAT and the issues that may arise
5. XC courses and Course Marshall for invites
6. Change in the 2024 State Track Meet and Schedule (Adding Javelin)

## **VOLLEYBALL**

**Proposal #1: The SoDak 16 contest will be played at the higher seed.**

**Class A and Class B: The SoDak 16 contests will be played at the higher seed.**

- i. **Mileage will be paid to the traveling team at \$.60/mile round trip.**
- ii. **Host site must meet the minimum accommodations of:**
  - a. **Minimum ceiling height of 23 ft. without obstruction**
  - b. **700 seat capacity**
  - c. **6 ft. of unobstructed space outside the court boundaries.**  
**If gym requirements cannot be met by the host site, the host site will determine a site that is no further in travel distance than the host site for the contest.**  
**Committee would like to try this for a year and review the data.**

### **Rationale:**

- 1) Every contest matters, makes teams work harder to get higher seed and not have to travel. You have earned the right to host, you should be able to do that.
- 2) Consistency in playoff format, football, soccer, softball all travel to the high seed as does AA. No one bats an eye to 9-man traveling across the state. AA travels for VB and BB.
- 3) We say we need to do what is best for kids. 50% of the kids are going to be happy they don't have to travel.
- 4) Loss of revenue for A and B....2 showed minimal profit with 14 showing substantial loss. We will at least guarantee one side with good attendance.

\_\_\_\_\_YES      \_\_\_\_\_NO

### **Discussion Items:**

1. Not mandatory, just a suggestion: IF your school has two sets of uniforms, the home team should wear the lighter color when at home and the visiting team dark. Would be easier for scorekeepers, officials etc.
2. Line judges will switch sides after each set- New NFHS RULE.
3. Fans/Spectators may stand, but not on the playing surface. If standing must be in the bleachers not on playing floor. NFHS POE for 2024-25 and moving forward. Rationale: Interferes with the playing area.

## **WRESTLING**

### **Proposal #1: Weight Classes –**

The Advisory's recommendation is to go to 235 the NFHS weight class form 250. Proposed to utilize the NFHS 12 Girls weight class model for girls. 12 Classes – 100,107, 114, 120, 126, 132, 138, 145, 152, 165, 185 & **235**

\_\_\_\_\_YES      \_\_\_\_\_NO

**Proposal #2: Girls Regionals:** It was moved by Donovan, 2nd by Leonard, on Thursday of NFHS Week 33, have 4 Girls Regionals 1A/1B, 2A/2B, 3A,3B, 4A/4B at sites determined by the region

\_\_\_\_\_YES      \_\_\_\_\_NO

### **Discussion Items:**

1. Schools need to continue to move toward proper fitting singlet and under garments.
2. During weigh-ins Athletes must be wearing a school issues singlet and must present with the straps up when doing skin checks and weigh-ins. The SDHSAA will add to the handbook
3. Comp Passes at State were discussed and we will be looking at how they are distributed. Especially for the managers/statisticians. Currently we give 4 per team per gender. We are looking at limiting the number by the

number of participants you have in the tournament. This will be brought back to the advisory to look at for a recommendation in the future.

4. The validity of keeping the Duals
5. Discussion on Forfeits from Team duals in Girls and how that will look Dual Team Members
6. Schools need to have their rosters set or will receive a fine in order to have members left off added. A reminder will be sent to schools of the date in which the rosters will need to be on the Bound website
7. The HOF Awards that are presented at the State Individual Tournament will continue to be right before Championship Matches.
8. Discussion on Host sites for State Wrestling – Rapid City/Sioux Falls

## **IN/OUT OF SEASON & AD ADVISORY**

**No Rules Proposals were brought forward.**

### **Discussion Items:**

1. Moratorium
2. Testing on August 1<sup>st</sup> for Summer Strength & Conditioning
3. Allowing students in Grades 9-12 to help with clinics and referring tournament

## 2024 SDIAAA VOTING SCORESHEET

Track your vote tallies here:

Sports/Proposals	YEA	NAY
Basketball - #1 High Seed will host the SoDak 16 Contest		
Sideline-Cheer - #1 Allow football cheerleaders the same number of passes at the dome as the state basketball. Eight passes plus mascot at post season events in football		
Competitive Dance - #1 Changes to Safety Score Sheet		
Football - #1 12 Team Playoff in 9-man football		
Golf - #1 State Coaching Badges for Class A/B changed to two per school		
Golf - #2 Alternate Golfer at the state meet (5th Golfer) Class B		
Golf - #3 Team Waves on Day 1 of the State Tournament – Waves off the back for Class A		
Gymnastics - #1 Class AA Qualifying meet will be held on Saturday of Week 31 for teams & Individuals to Qualify for state with two sessions.		
Soccer – No Proposals		
Softball - #1 Approve the language change for Regular season contests		
Tennis - #1 Indoor Play Policy – Consolation Round matches when going indoors will play 8 game pro-sets with a 7-point tie break when we reach 8 all.		
Track - #1 FAT – Pole Vault/High Jump Starting Heights for both will be taking the 12 <sup>th</sup> place qualifier height and subtract 3 inches for PV and 1 inch for HJ for State Meet starting height.		
Volleyball - #1 SoDak 16 contests will be played at the higher seed		
Wrestling - #1 Weight Classes Girls 12 Use NFHS Girls weight class for Heavy weight 235		
Wrestling - #2 Girls Regionals 1A/1B, 2A/2B, 3A/3B, 4A/4B		
Wrestling - #5 Dual Team Region Qualifier for State		
Wrestling - #6 Establish Alternate Wrestler for Girls State Qualifier		
In/Out Of Season – No Proposals
