

504 STUDENT DRESS AND APPEARANCE

Adopted: August 2022

I. PURPOSE

The purpose of this policy is to enhance the education of students by establishing expectations of dress and grooming that are related to educational goals and community standards.

II. GENERAL STATEMENT OF POLICY

- A. The policy of the education district is to encourage students to be dressed appropriately for school activities and in keeping with community standards. This is a joint responsibility of the student and the student's parent(s) or guardian(s).
- B. Students are expected to dress appropriately for school. This includes the following:
1. Shirts and caps with alcohol, tobacco, drug logos and/or sexually explicit/offensive sayings are prohibited.
 2. Necklaces or other jewelry that displays alcohol, tobacco, drug logos and/or sexually explicit/offensive sayings are prohibited.
 3. Clothing must match the requirements as shown in the figure below.

- C. Headgear, including hats or head coverings, are not allowed in the building except with the approval of the building administration or designee (e.g., student

undergoing chemotherapy, medical situations, student religious practice or belief).

- D. The intention of this policy is not to abridge the rights of students to express political, religious, philosophical, or similar opinions by wearing apparel on which such messages are stated. Such messages are acceptable as long as they are not lewd, vulgar, obscene, defamatory, profane, or do not advocate violence or harassment against others.
- E. "Gang," as defined in this policy, means any ongoing organization, association, or group of three or more persons, whether formal or informal, having as one of its primary activities the commission of one or more criminal acts, which has an identifiable name or identifying sign or symbol, and whose members individually or collectively engage in or whose members engaged in a pattern of criminal gang activity. "Pattern of gang activity" means the commission, attempt to commit, conspiring to commit, or solicitation of two or more criminal acts, provided the criminal acts were committed on separate dates or by two or more persons who are members of or belong to the same criminal street gang.

III. PROCEDURES

- A. When, in the opinions of the administration, a student's appearance, grooming, or mode of dress interferes with or disrupts the educational process or school activities or poses a threat to the health or safety of the student or others, the student will be directed to make modifications or will be sent home for the day. Parents/guardians will be notified.
- B. The administration may recommend a form of dress considered appropriate for a specific event and communicate the recommendation to students and parents/guardians.
- C. Likewise, an organized student group may recommend a form of dress for students considered appropriate for a specific event and make such recommendation to the administration for approval.
