104 SCHOOL DISTRICT MISSION STATEMENT

I. PURPOSE

The purpose of this policy is to establish a clear statement of the purpose for which the school district exists.

II. GENERAL STATEMENT OF POLICY

The school Cabinet believes that a mission statement should be adopted. The mission statement should be based on the beliefs and values of the community, should direct any change effort and should be the basis on which decisions are made. The school Cabinet, on behalf of and with extensive participation by the community, should develop a consensus among its members regarding the nature of the enterprise the school Cabinet governs, the purposes it serves, the constituencies it should consider, including student representation, and the results it intends to produce.

III. MISSION STATEMENT

We are committed to discover, develop and achieve our student's maximum potential within our local districts and communities. **(New mission statement coming early 2019 with approval of Admin Council)**

IV. REVIEW

The school Cabinet will review the school district's mission every two years, especially when members of the Cabinet change. The school Cabinet will conduct a comprehensive review of the mission, including the beliefs and values of the community, every five to seven years.
