Case Manager's Educational Neglect/Truancy Report

Today's Date: _____ Student Name: _____

What is going well with the student's education?

What supports or services are in place for the student or family? Are there any supports that need to be added to help the student/family be more successful?

What has reaching out to the family looked like? Please attach contact log, if applicable.

Does family understand the expectations for attendance/school?

Are there any barriers to the child's attendance? Examples include parent's employment, transportation, cognitive abilities, health concerns, language. How has the school attempted to address any barriers that may be present?

Are the parents and child aware of specific concerns and risks related to poor school attendance? If so, what has been the conversation and response?

Does the family have a history of school attendance concerns?

CASE MANAGER'S EDUCATIONAL NEGLECT/TRUANCY REPORT

Is summer school and/or summer programming recommended? If so, what is available?

Any other information you feel it is important for the county to know?
