Summer Tutoring Opportunities

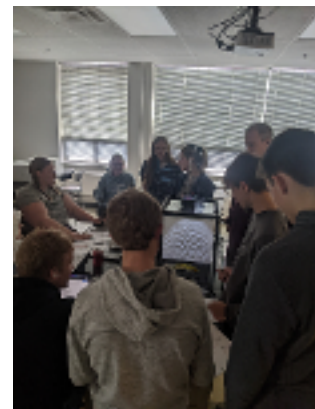

We are excited to announce that **Reading Corps** and **Math Corps** will be offering a free, summer virtual tutoring program in summer 2022. Any family that feels they would benefit from this is encouraged to utilize [this family inquiry form](#) or access this [website](#) for more information.

Specific Information Regarding the return of Summer Lion's Academy at Spring Grove will go home the first week in May!

We're Making Waves in Our Learning!

Mr. Vix's Physics class recently spent some time exploring and learning about wave lengths and frequency using a specialized wave machine. This group of juniors and seniors is always up to something hands-on and interesting!

Talking About Tech

The following resources can help you have productive conversations with your child about "too much tech."

Showing off the smarts!

SHOWCASING THE FARM PARTNERSHIP

Take a look at some of the experiences from the farm partnership this year. They are starting their final theme of the year this week as they prepare to buy a pig with grant dollars! They are learning about costs, decision-making, and legal responsibilities.

SAC ENRICHMENT OVER SPRING BREAK

Our SAC students took field trips to the Vesterheim Museum and the Children's Museum over break. They had such memorable experiences and were recognized by staff for their great behavior!

MCA TESTING BEGINS

Teachers are building up confidence, reminding students the importance of sleep and balanced breakfast, and supporting students as they start MCA testing this week. Are students are ready to go!

LOGGER READING EXTENSION

Many families have been reading away to earn those great prizes of places to eat and even Logger's tickets for kids that hit a home run. We can now extend our final submission date to May 15. Make sure you get in all your tickets and mintues by then!
