"MT. STUDENT MORE"

First Graders created their own version of Mt. Rushmore. They named it with their name in the middle instead of "rush." Then, they drew pictures of important people in their lives.

LISTENING SESSIONS

Elementary, middle, and high school students participated in listening sessions this week. They answered questions about their most meaningful learning experiences, wellness, safety, college and career preparation, the learning spaces, and more. The feedback will be compiled and communicate throughout our system to drive programming decisions.

4TH GRADE ECONOMY PROJECT

4th Graders are creating a project to represent the island they have used to apply learning with all year. They are learning how products connect to the culture, tourism, needs, and wants of the people who live or visit a space.

4TH GRADE ECONOMY PROJECT

Kindergarten was a magical place this week! Students read Jack in the Beanstalk. Then, their beans turned into edible jelly beans!

MUSIC IN THE COMMUNITY

The Senior High Choir gave a 25-minute concert for the Semcac Senior Dining Easter dinner. After, all present ate a meal of ham, potatoes, green beans, SG soda and pie. It was fun to see the generations connect over music and food. Thank you to Annette Peterson for planning the event. Thank you to the Spring Grove Legion for sponsoring meals the student meals.
