### *Summer School is Just Around the Corner*

Look for information regarding summer school to come out in Mid to Late April. Unfortunately, we do not qualify for a summer lunch program this summer. The USDA waivers for all districts are expiring, and it is anticipated that they will not be renewed. Individually, our district does not qualify based on our poverty level/Free and Reduced Lunch Status. We will keep you updated if this changes.

**END OF 3RD  
QUARTER**

**March 25 is the end of 3rd Quarter. Be sure you have logged into JMC to check grades. Monday, March 28 is a teacher workshop day. No School for students.**

### **Do You Want to Be a More Involved Parent?**

Did you know that... "No matter their income or background, students with involved parents are more likely to have higher grades and test scores, attend school regularly, have better social skills, show improved behavior and adapt well to school."

- National Coalition for Parent Involvement in Education

Here's a couple ways to start...

[28 Ways to Ask Your Teens 'How Was School Today?' Without Asking Them 'How Was School Today?'](#)

### **Soles for Souls!**

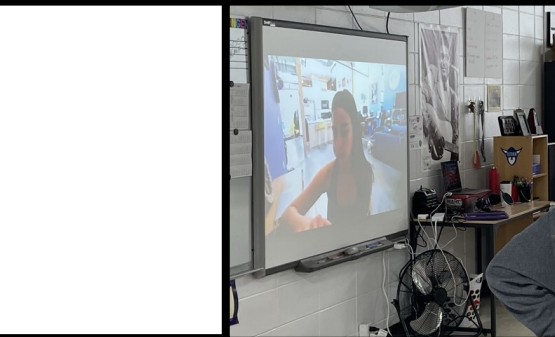

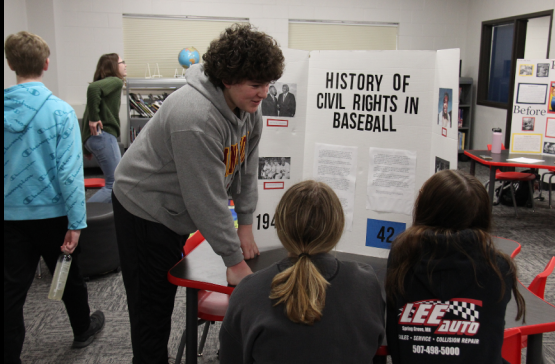

Thank you so much for participating. We will be sending 176 pairs of shoes and 875.5 pounds of clothing to those in need around the globe. Total we will be shipping 73 boxes from out of our school. Awesome!
