Scenes from *"Murder's in the Heir"*.

Who is the murderer?

Each night --- it could be someone different and YOU the audience decides by voting at intermission.

Come and be a part of the outcome tonight (7:30 Friday) or tomorrow (Saturday) 2:00 in the afternoon or 7:30 in the evening.

Investigator
Chris Frick
spoke to
7-12
graders on
internet
online
safety.

We are excited to announce that Mark Horbinski from Won80 will be here on Thursday, December 7. Mark will be giving us two presentations. The first will be at 5:00 pm and be for all 6th - 12th Grade students involved in Athletics/Activities.

We certainly encourage your child to attend and coaches will be having their teams to attend.

The second will be at 6:30 pm for parents of these students, interested parents, or adults from other communities if you know of any who would be interested. Students are also welcome to attend this presentation with their parent. Adults you are welcome to join us for a supper sponsored by our Athletic Boosters at 6:00 pm. A huge thank you goes out to our boosters for taking this on. This event is motivational and educational, however, it is also a chance for us to showcase the great community we have in Spring Grove through our attendance and participation. Please join us.

Adults and parents, here is a link to a [registration form](#) that we would like you to fill out if you plan to join us. Please take a few seconds and fill it out for your family. Also, if plans change and you find you can join us please do so even if you miss the form.

We are so excited to provide this community event!

A RETURN TO SPORTSMANSHIP

The Minnesota FFA Association announced their Agriculture Educator Spotlight for this month is Ms. Tisthammer from the Spring Grove FFA Chapter!

They shared that "Ms. Tisthammer works hard to ensure that her students and members are active, engaged, and successful. She is the FFA advisor at Spring Grove and helps her students discover their passion in agriculture. Her students are actively involved in many different areas. Some of these areas include farming, CDE and LDE contests, welding, shop, and livestock. In addition to this her students have helped build home for Habitat for Humanity. She has taught her members the importance of community. She has also helped new members who are involved in FFA find new additions they can make to their FFA journey."

Thank you Ms. Tisthammer for your contributions to Agriculture Education!

Congratulations
to Mrs. Tisthammer and her FFA Students!

BAND CONCERT

Friday, December 8
7:00 pm @ School Gymnasium

CHOIR CONCERT

Monday, December 11
7:00 in the Practice Gym

End of Quarter Reward

7-12 grade students enjoyed a movie and bags tournament the day before Thanksgiving break. The money raised from the bags tournament will be donated to the Houston County Food Shelf.

<<< Ben Udstuen and Brandon Jahnke were the winners of the bags tournament

THIS WEEK'S
PBIS
*"Got Caught
Doing
Good"*
AWARDS
WENT TO THESE
FINE STUDENTS!

Susie Stender, Caroline Becker, Nova Kulish
Brianna Lewis, Justus Bjerke

**WORKING
ON SOUND**

Gathering information for the Ye Olde Opera House's plans for upgrading the sound system at the "Barn", Mrs. Tisthammer's students measured the area and the slope of the "hill" at Ye Olde Gray Barn.

INNOVATION STUDIO

After school Innovation Studio is an after school Targeted Services program that allow students to explore and expand on skills they have developed during their regular school day. Activities and programs that make up Innovation

Studio are Book Club, STEM Lab, Odyssey of the Mind, Math Wizards and Lego Lab. Pictured below are students at the very well attended Lego Lab.

**"Thank You...Thank You...
Thank You!!!**

Friends and Alumni are happy to announce we Achieved our Goal and a little more on final days of our campaign. Your generous financial donations online, by check or in cash yielded us \$10,570. All of these monies will now purchase the student needs of Art partition, 50 JH GBB and BBB Uniforms, Music Boomwhackers, Band Percussion Mallets and sticks and Scholarships via Scholarship Dollars. Our little community is great and supported our efforts 100%. Watch for future pictures of students enjoying these items.
Go LIONS!

**SPRING GROVE
FRIENDS & Alumni
NOVEMBER 30 DAY
CHALLENGE**

Mrs. Gulbranson, a member of SG Friends and Alumni, showing off that the GOAL was reached!! >>>

MRS. SCHULTZ'S GRADE 2/3 CLASS READ THE BOOK:

"The Greatest Table" by Michael J. Rosen

The 12 foot long accordion fold-out book has artwork from 16 different illustrators. The story shared and taught us that all tables around the world are unique and each one special. Families and Friends may gather for a picnic outdoors, around a table in their houses, and so much more! It was a great book to share during the month of November, and the students enjoyed designing & drawing their own tables where they gather.

THE CHAMBER OF COMMERCE HAD A SPECIAL DELIVERY!

When Santa was in Spring Grove last weekend at the Brunch & Be Merry event, he contacted some very special elves, Tyler and Kylie from Big T's Painting & Construction, LLC, and asked them to build a mailbox for letters that will go directly to the North Pole for Santa to read and respond to. And that mailbox is now ready right outside the Chamber building! Letters can be mailed (no postage necessary) to Santa in this very special mailbox through Saturday, December 16. Make sure to clearly write your full name and return address because Santa wants to answer all your letters!

Spring Grove Early Childhood Family Education.
