## ODYSSEY OF THE MIND

Spring Grove Odyssey of the Mind 2022-2023 has begun! We will have two Primary Teams (grades K-2) and two Division I teams (grades 3-5). Our coaches are Jackie Parker, Erin Becker, Sarah Amundson, and Gina Meinertz.

This winter and spring, the teams will work on creating skits to solve their long-term problems. They will present these skits at the Minnesota Odyssey of the Mind Tournament on April 15th in St. Paul.

Help the SG Athletic Boosters reach the right people to support our student athletes. The Athletic Boosters sent out an email last week about a Fund Drive that will benefit all athletic programs, including the Trap team. Oftentimes we hear after a fundraiser from alumni and community members that no one contacted them. Please click the links to the parent letter for more information and QR sheet for instructions to share emails or cell numbers of people you think should be contacted.

Thank you for supporting our students and community!

**6th Graders**, as part of their English curriculum, have been learning about theater! Here they are pictured trying out for their 6th grade play "The Return of the Glass Slipper" which will be ready for a performance in March.
