SNOW DAY MAKE UP DAYS....

Snow days have hit us hard this year, and we know we still have plenty of winter left.

We have had 7 snow days to date. We build 3 snow days into our district calendar annually. Day 4 is made up on President's Day (Monday, February 20), and Day 5 is made up on the Thursday before Spring Break (April 6).

There will be school on February 20 and April 6.

According to our long standing policy, days beyond this are not made up until we get below the MN Statutory required number of days of instruction - 165 days.

Here's hoping for calmer days ahead!
