## NO SCHOOL

(School Resumes Tuesday, April 11)

### The Second Annual Seniors vs Staff Basketball game

was held on Wednesday,  
March 29. It was a rous-  
ing good time, and after  
28 minutes of intense  
playing it ended in a tie  
37 - 37.

No one lost, no one won,  
...but lots of fun was had.

- Motor vehicle crashes are a leading cause of death for 15 to 20-year-olds.
- Of the 16-19 year old trauma patients seen at Gundersen from 2010-2017, 66% of the crashes occurred because the driver lost control.

# Free Teen Car Control Clinic

**April 29 or 30 from 7:30 a.m. to 4:45 p.m.**

**Gundersen La Crosse Campus, Parking Lot F**  
**Breakfast and lunch will be provided**

The clinic teaches fundamentals of vehicle control during classroom sessions and behind the wheel exercises. Teens will leave with an increased sense of confidence in their ability to handle their vehicle as well as increased awareness of hazards on the road. We require that a parent/guardian attend the course with the licensed teen (16-19 years of age). You must use your own vehicle for the driving portion of the course.

A \$50 deposit is required at registration, which will be refunded in full after completion of the program.

To register, **call Trauma Services at (608) 775-3054.**  
Pre-registration is required by April 21.

**For more information about this program call (608) 775-2011.**

*A special thank you to The La Crosse Police Department, The Audi Club of North America, Lindy's Subs and Salads, La Crosse Fire Department, Courtesy Corporation, Festival Foods and Caribou Coffee for their donations to the clinic.*

*This event, class or activity is not sponsored or endorsed by the School District and is not printed at District expense.*
