### QUARTER 2....

Our school is focusing  
on respect as our theme  
for Quarter 2.

Lessons, key words,  
and skills will all be  
taught to help students  
to know how to better  
listen, know their own  
emotions, recognize  
others emotions, and  
ensure everyone knows  
and feels belonging  
in our school district.  
To help us launch this  
focus, we would love  
you to talk to students  
about what respect  
looks like. Here are a  
couple of resources to  
support you:

# The Annual Coin War has CEASED!

The royal accountants are busy counting the money and they will announce the winner on Monday! Which ever class has the **LARGEST** Coin War Number (silver coin count minus paper money and penny count) will be declared the **WINNER!**

All money collected will be donated to the Houston County Food Shelf.

Thanks to ALL for Participating in this good war!

## 7th - 12th Graders CONTINUE COLLECTING MONEY FOR THE FOOD DRIVE:

**Which grade can collect the most per person?**

Students in grades 7th - 12th are also collecting money for the food drive. The challenge is which grade can bring in the most money per person. If individual grades average \$10 per person, that grade will go to the Cinema for a movie. If a grade averages \$5 per person, they will get a free block

where they can play board games or be on their phone or computer. If a grade averages \$3 per person, they will get an ice cream treat. This challenge ends on Thursday, November 17th.

Once again, all money collected will go to the Houston County Food Shelf. Both of the Food Drive events are being sponsored by the Student Council.

## WE ARE GOING ON A SEED HUNT!

The kindergarten class traveled to the Meinertz hillside in search of native prairie seeds. Rhan Flatin shared expert help so they new what plants to look for and how to harvest the seeds.

## The Veterans Day Program was held on Friday, November 11.

To begin the program, the flags were presented, the senior high choir sang the National Anthem and three of Mrs. Lile's students shared short poems and quotes. (Bently Rohland, Adah Solum with Kiah Lundgren, and Jocelynn Martinez). Christian Myrah was the speaker, sharing his story of what skills you need as a fighter pilot. Quilts of Honor were presented to Gary Glasrud, Jeff Tyribakken, and Joel Johnson from the Piecemaker's Quilting group. The program wrapped up with another song by the choir.

Veterans were invited to dine with Mrs. Strand's 4th graders in the cafeteria. Mrs. Strand's class did a wonderful job decorating the doors of the cafeteria and the hallway outside the office honoring our Veterans.

*Thank you veterans for your service!*
