A RETURN TO SPORTSMANSHIP

We are excited to announce that Mark Horbinski from Won80 will be here on Thursday, December 7. Mark will be giving us two presentations. The first will be at 5:00 pm and be for all 6th - 12th Grade students involved in Athletics/Activities. We certainly encourage your child to attend and coaches will be having their teams to attend. The second will be at 6:30 pm for parents of these students, interested parents, or adults from other communities if you know of any who would be interested. Students are also welcome to attend this presentation with their parent. Adults you are welcome to join us for a supper sponsored by our Athletic Boosters at 6:00 pm. A huge thank you goes out to our boosters for taking this on. This event is motivational and educational, however, it is also a chance for us to showcase the great community we have in Spring Grove through our attendance and participation. Please join us.

Adults and parents, here is a link to a [registration form](#) that we would like you to fill out if you plan to join us. Please take a few seconds and fill it out for your family. Also, if plans change and you find you can join us please do so even if you miss the form.

We are so excited to provide this community event!

Several JH and SH band members were able to attend the University of Minnesota's Marching Band indoor concert last week. Here are our SG Band members pictured in their seats at Northrup Auditorium waiting for the performance.

They also connected with some Spring Grove Alumni who are attending UofM.

All 8th graders attended the RCTC Steam (Science, Technology, Art, Math) event in Rochester on Tuesday. There were many, many great hands on activities to get our students to start thinking what their future might be....
