## HALLOWEEN -- THAT DAY THAT IT SNOWED!

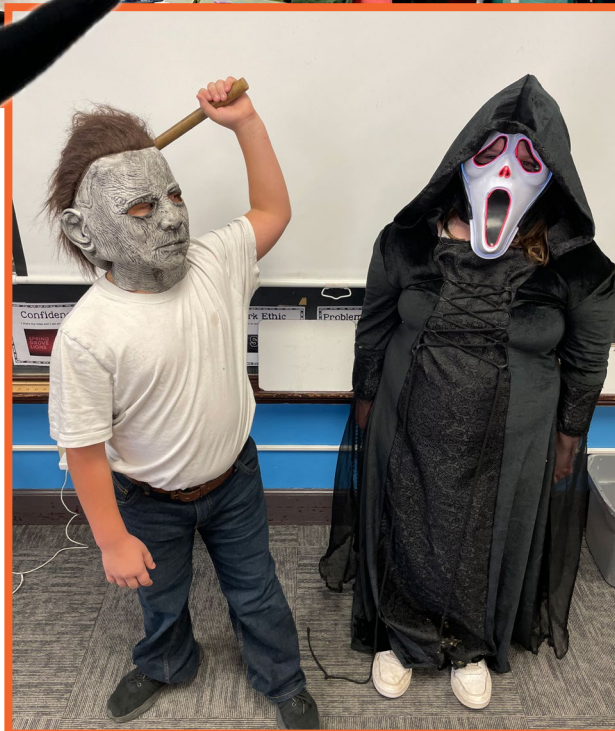

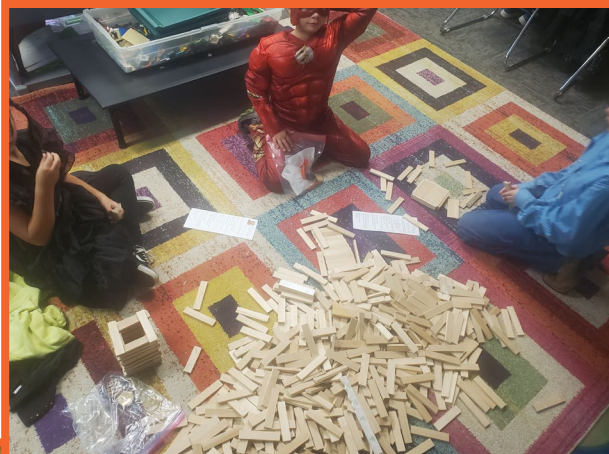

# HALLOWEEN continued

# Dia De Los Muertos

Mrs. Lile's Spanish II Class did many activities to learn about and commemorate the Day of the Dead (Dia De Los Muertos). It is a two day holiday (November 1 & 2) that reunites the living and dead. Families create ofrendas (Offerings) to honor their departed family members that have passed. The Spanish class put together an ofrenda outside the classroom. It was decorated with bright yellow marigold flowers, photos of the departed, and the favorite

foods and drinks of the one being honored. The offerings are believed to encourage visits from the land of the dead as the departed souls hear their prayers, smell their foods and join in the celebrations.

The class learned how to make tamales with the guidance from Ms. Jones. It took two days! They also did classroom presentations in a few elementary classrooms sharing their new knowledge of Dia De Los Muertos.
