HOMECOMING 2023

Queen Katelyn and King Jacob declared at the Monday morning coronation it would be a week of fun dress up days; volleyball, soccer, and football games; a parade and a dance. They did not mention anything about rainy, wet, windy weather on Friday.

Because of the rainy, wet, weather on Friday, the parade became an indoor parade and community pepfest.

Friday morning, 7th - 12th grade students constructed their indoor floats. After completing their floats, there was time for a bean bag tournament. After lunch, the gymnasium was filled with student body and community members to view the floats and be entertained by the pep band and the pap fest.
