Heads up!

Winter months are a prime time for head lice. Throughout the school year, please examine your child's head on a regular basis, especially at the base of the scalp near the nape of the neck and behind the ears. If head lice are detected, please notify the school office.

WE NEED YOU!

Our district is in need of substitute teachers, paras and bus drivers. We also continue to look for a full-time in house sub. A 4-year degree is needed to be a substitute teacher, and we can place you with your preferences for subject area and students. Substitute paras are required to have a high school diploma. Substitute bus drivers are needed when we run regular routes and need to transport students to games.

The kids, staff, and school lunches are great at SGPS!

Please join us!

Contact our office for more information or go to the "District" tab on our school website
