Parent Teacher Conferences November 15 & 17

4K - 5 grade will have P/T conferences with their teachers, in their classrooms.

6-8 grade conferences will be with their main teacher (home-room) and if needed parents can meet with the other teachers that your student has. The four main middle school teachers will be located in the cafeteria.

9 - 12 grade Parent Teacher Conferences will have a different approach this year. Students will lead a conference with their parents and advisor to discuss their career, college, and life ready skills, as well as academic performance in their current classes. During this time they will go over their Personal Learning Plan, and discuss their goals for the next

6 - 12 months. These conferences will be 15 minutes in length.

Look for an email this coming week with the link to sign up for conferences using PTCFast.

WE NEED YOU!

Our district is in need of substitute teachers, paras and bus drivers. We also continue to look for a full-time in-house sub.

A 4-year degree is needed to be a substitute teacher, and we can place you with your preferences for subject area and students.

Substitute paras are required to have a high school diploma. Substitute bus drivers are needed when we run regular routes and need to transport students to games.
