To support local high schools with their financial aid efforts, the Ready, Set, FAFSA series will again be offered to students and families this fall. All sessions will have simultaneous interpretation in Spanish, Somali, and Hmong. Financial aid experts from local colleges will be available during the events to answer questions in the chat. Students who attend will be eligible to win a \$500 scholarship. [Registration is open now for families.](#)

For **BREAKFAST**:

your tray needs to have at least **3** components and **ONE** of

those components needs to be a **FRUIT** or **JUICE**.

If your tray does

not have these components, you will be charged

\$2.50 for breakfast/ \$4.95 for lunch --- and it will make your **parents unhappy**.

**Serving sizes of the food components are 1/2 cup.**

**Side notes:** raisins or craisins count as a fruit component; 3 cucumber slices does NOT equal 1/2 cup of vegetables one small cherry tomato does NOT equal 1/2 cup.

## Reduce Food Waste....

We encourage everyone to eat everything on their tray for a healthy well-rounded meal.

But, **if you get full** before you get to a component, for example: your applesauce cup, etc and if they are
