FALL PLAY!

Auditions for "Murder's in the Heir" will be September 19th and 20th from 3:30-5pm. Rehearsal begins Oct. 1.

Almost every character in this hilarious mystery has the weapon, opportunity, and motive to commit the unseen murder, and it's up to the audience to decide who actually did it! Each of the heirs to the tyrannical billionaire Simon Starkweather has the means and the motive to do away with him. Starkweather gathers his family and employees to announce the contents of his

will. His lawyer, Lois van Zandt, reveals that he has bequeathed vast fortunes to his befuddled niece Fiona, her playboy son Jordan, his great-niece Paula (a Southern belle) and his grandson Simon III, as well as to his many servants. Then Lois delivers the bombshell: within hours this will becomes invalid. Of course, the rejected heirs are not pleased. Predictably, the lights go out, and Simon is discovered murdered. Simon III is determined to find his grandfather's killer, with the help of detective Mike Davis. The actors will play the ending that the audience chooses at intermission.
