Assessment Schedule 2023-2024

Parents, please click below for the website link to our assessment schedule. February, and especially April/ May have a lot of dates for the assessments. Please make sure your students are here on their testing dates and to notify their teacher ASAP if there is any possibility of them being gone, so arrangements can be made.

[TESTING SCHEDULE](#)

Community Education

The Summer Leagues for Softball and Baseball (Youth grades 3 - 8), has already opened up registration for this year. The early registration deadlines are due to finding out numbers ahead of time to create schedules for games with the other surrounding communities.

The K-2 activities that take place in St. Clair do not have as high of a priority for scheduling, as it is all completed here in-house. The T-ball/ Little League registrations will be out in the next few weeks as Spring approaches.

Please note, anytime you register for an event online, there is no need for an extra "paper form", as all the information will be downloaded from your initial registration when payment is made.

COMMUNITY EDUCATION
