

# St. Clair Public School

## Field Trip Ride Home with Parent Permission

While it is the desire and general practice of the St. Clair Public School to have students travel using school district-provided transportation when attending field trips, occasionally parents may be permitted to transport their child home from the field trip.

- **Parents are responsible for notifying their child's teacher when taking their child upon departure.**
- **Parents are allowed to transport their child only.**

This is to certify that \_\_\_\_\_ in grade \_\_\_\_\_ has my  
(student's first and last name)

permission to ride home from \_\_\_\_\_  
(field trip destination)

with me on \_\_\_\_\_.  
(date)

I certify that I am personally transporting my son/daughter listed above.

Parent Name \_\_\_\_\_ Phone \_\_\_\_\_

I understand that the St. Clair Public School requests that students ride to and from field trips with their classmates on school-provided transportation and a departure from this practice releases the St. Clair Public School from any adverse results that may occur.

I agree to release St. Clair Public School and its employees and transportation contractors from liability related to the above stated transportation.
