Construction Update

By R.A. Morton Construction Site Manager Michael Beach

The structural portion of the precast walls for the storm shelter, gym and weight room are complete. The precast will still need to be caulked and washed when the cold weather is past.

The modifications to the existing gym west wall to accept the steel structure will be complete this week. The brick and block for the health room, science room and other classroom are complete. The masonry walls will need to be washed as weather permits.

Steel will arrive on Thursday, February 9, for the roof structures on the health room and classrooms with steel placement starting Friday, February 10. The steel contractors' crane will arrive on Friday to start the steel setting process. They will start on the "classroom" portion of the project.

The HVAC contractor is placing curbs and equipment hoods on the storm shelter portion of the project. As classroom steel completes, the curbs will be placed on those structures.

The roofer will be starting the roof and parapet blocking starting Monday, February 13, on the storm shelter portion of the project. They will work on roofing the other structures after that.

Planning is underway for the summer remodeling work. The building team is looking at construction sequences that will be the least disruptive for students and staff. Once those plans are complete, they will be shared.

SUNDAY, FEB. 12, 2023 | WOW! ZONE | 2030 ADAMS STREET | MANKATO

Providing Free and Reduced Cost Dental Services to MN Schools

Minnesota School Sealant Program

St. Clair will be hosting the Minnesota School Sealant Program, where your child has the opportunity to receive **free or reduced cost** preventative dental services at school. A licensed dental professional will be offering sealants, cleanings, and fluoride varnishes to students. Parents, you will be receiving an email letter from Mr. Collins regarding this opportunity.

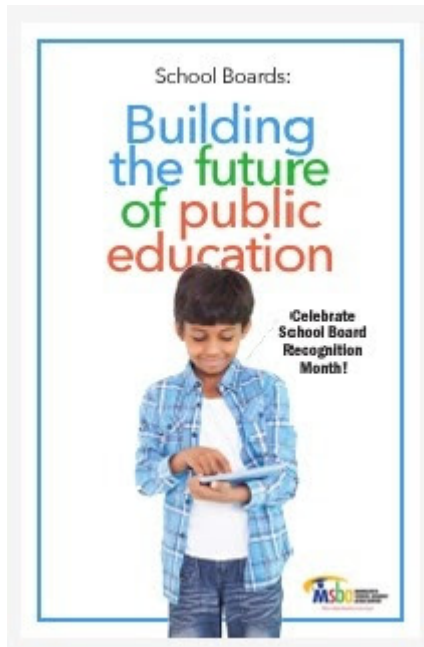

St. Clair School Sealant Day will be on: **Thurs., April 6th for grades PreK-Grade 12.**

In order to be eligible to receive these services, you need to fill out this consent form with your child's information and return it to school. ***The consent form is due by no later than March 7th.***

CONSENT FORM

If you are able, it is preferred that you fill out the consent form online.

ONLINE CONSENT FORM

February is Minnesota School Board Recognition Month. It's a great time to recognize and thank our elected community members who selflessly give their time and energy in support of high-quality public-school education for our youth.

St. Clair School Board:

**Jillian Cousins, Connie Johns,
Mick Rasmussen, Karen Hauser,
Sara Quast and Ben Stover**

Updated Testing Schedule
