I hereby certify that the academic information submitted in the application is correct, including the GPA.

(Name) (Title) (School)

(Signature) (Date) (Phone)

NAME _____
(Last) (First) (M.I.)

RELATED DOCUMENTS TO BE SUBMITTED WITH APPLICATION

1. Recommendations from two teachers, counselors, employers, or others where at least one can speak to your experience in math and science education or related activities.
2. Describe your plans for your proposed field of study and your intended occupational pursuits following your degree completion. Include how you decided on this career and describe any experiences you have had that led to this decision. This description should be 200 words or less as described on the following page.
3. Activities and Honors with the supporting details described below.
4. Copy of transcripts showing GPA and, if the GPA is on a weighted 4.0 scale, a clearly described GPA calculation.

Activities: List your extracurricular activities (other than jobs) in the order of interest to you that you have been involved in during your high school years. Describe the activity, your most significant contribution to the activity and the most significant benefit you received. (Please continue on a separate sheet if required)

Honors: List any special honors and scholarships you have won, either in or out of school during your high school years. Describe the Honor or Scholarship. (Please continue on a separate sheet if required)

NAME _____
(Last) (First) (M.I.)

Career Plans: Describe your plans for your proposed field of study and your intended occupational pursuits following your degree completion. Include how you decided on this career and describe any experiences you have had that led to this decision. This description should be 200 words or less. (Please continue on a separate sheet if required)
