Prior to taking any Free Skate test, a skater must first pass the Moves in the Field (MIF) test. (Pre-Pre MIF, then Pre-Pre FS).

Skaters may compete one level higher than tested and can compete at no level lower than their tested Free Skate level.

Basic Skills skaters must compete at no level lower than their last test passed. (Currently in Basic 6, then compete at Basic 5 or higher).

Skaters in Freestyle 1-4 badge tests, can compete in either Limited Beginner or Beginner.

All competitors should seek the advice of their coach, prior to registering for a competition.
